The Normal Theater - November 15, 2018
7:00 pm - 9:00 pm

Join us for a very special evening of celebrating the greater reality with highly credible evidence-based medium, Suzanne Giesemann. This event is hosted by the J.T. and E.J. Crumbaugh Spiritualist Church in LeRoy, IL.

Suzanne will share her fascinating story of transformation from U.S. Navy Commander to evidence-based medium. She will touch your soul with the credible evidence she has received through her communication with those in the spiritual realms, showing that our loved ones who have passed are still with us and are working to comfort, heal, and help us grow. You will hear messages that verify we are all eternal beings here and now and that the bonds of love cannot be broken, even by death.
